**ORDER**

On October 20<sup>th</sup>, the defendant in both cases filed a motion to consolidate in each of these cases on the ground that they arise out of the same September 10, 2004 motor vehicle accident. No objection to these motions has been filed. As the complaints show that the same issues of fact and law are involved, consolidation is indeed warranted.

Accordingly, defendant's October 20<sup>th</sup> motions (#8) to consolidate these cases are hereby granted. The parties are directed to use the consolidated caption in all future filings.

IT IS SO ORDERED this 14<sup>th</sup> day of November, 2006.
